**PART II: SPONSORSHIP**

Membership in the Wisconsin Republican Assembly requires the sponsorship of a current WRA member in good standing. Please contact your local Chapter and attend a meeting to meet your local WRA Chapter members. In lieu of a sponsor, you will be invited to meet with a member to discuss your application before your membership becomes active.

To help you decide if the WRA is what you are looking for....

**A few quick questions for reflection:**

1. Do you feel like your local and state GOP leaders have *abandoned* their *Judeo-Christian* values and their *duty to defend* the Constitution?
2. Do you feel your local and state GOP leaders are *failing to act* in a way that *promotes* faith, family, and freedom within *your community*?
3. Do you feel like *your voice* is being *drowned out* by those in power, leaving you *isolated* in your pursuit of Godly, conservative values?
4. Are you *tired* of the *status quo*, where the *GOP elite ignore* the very *principles* of liberty and faith upon which this nation was *built*?
5. Do you feel like your local and state GOP leaders are *NOT doing enough* in *your community* to help grow the Republican party?
6. Would you be open to joining a movement *rooted* in *Christian* values, which is *nationally recognized* for making a *real impact*, and *holding the GOP accountable* to our shared *Christian beliefs* and *Constitutional rights*?

If you answered “**YES**” to any of these questions, we encourage you to Join the WRA.

The Wisconsin Republican Assembly (WRA) believes that by reforming the Republican Party with Judeo-Christian, conservative, and constitutional principles, everything else will fall into place. The WRA is committed to empowering leaders who have the courage to do what is right, ensuring a strong foundation for the future.

The WRA is Local Action with National Unity. The National Federation of Republican Assemblies (NFRA) was established to be a “bottoms up” organization, with the strength & the power in the community/county chapters, not the state or national organizations. The local chapters have three pillars that connect us at the national level; *Community, Legislative & Candidate Development*.
